Happy New Year Tadec Committee,

Our next meeting is Wednesday, February 1st from 2-3pm in H124 and I have listed our spring semester schedule below. Our previous room is not available so we will need to head down the hall in the other direction past the Dean's office.

Please take a look at the following email from Pamela Perry. "I'm reaching out to see if you have any faculty or staff members from your committees that you think might be interested in serving on our Criterion 3 team. As you may recall from the faculty workshop, we're putting together teams to address the challenges identified as a result of our campus input outreach last semester. For Criterion 3, we have challenges that relate to both professional development and online education:

Online Education

Consensus: More structure is needed around the operation of our online courses to encourage innovation, ensure compliance, and improve students' success rates."

Please let me know if you are able to serve on this committee. Thank you!

Pam

February 1 at 2pm in H124
