Grant Compliance Tip:

Triton College works diligently to avoid returning grant money back to a funding agency. If funds are returned, it places the institution at risk of losing future funding support and compromises our reputation indicating we cannot successfully execute grant projects. Please contact the GDO and your grant accountant immediately to assist with challenges related to financial matters.

Many of these opportunities are time-sensitive and require a quick response time. Please contact us at ext. 3022 or stop by E-315 ASAP if you're interested in any of these funding opportunities. Thank you for your hard work!

*Deadline reflects the internal target date established by the GDO for planning purposes.
