

Week of September 19, 2016

~It starts with an idea

Federal

- **Project Title:** Broadening Participation in Engineering (BPE)
- **Funder:** National Science Foundation (NSF)
- **Description:** The BPE program is a Directorate-wide initiative dedicated to supporting the development of a diverse and well-prepared engineering workforce. Across every educational juncture (e.g., elementary, secondary, and postsecondary levels), efforts to improve engineering interests, preparation, connections, experiences, and opportunities among underrepresented groups is of major importance to BPE.

• **Website:**
http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=504870

• **Recommended Areas:** Science, Engineering, Technology and Math

• **Deadline:** January 1, 2017*

• **Award Ceiling:** \$75,000

- **Project Title:** Summer Seminars and Institutes
- **Funder:** National Endowment for the Humanities
- **Description:** These grants support professional development programs in the humanities for school teachers and for college and university faculty. NEH Summer Seminars and Institutes may be as short as one week or as long as four weeks. The Seminar or Institute may be hosted by a college or university. These programs are designed for a national audience of participants.

• **Recommended Areas:** Humanities

• **Deadline:** February 1, 2017*

• **Award Ceiling:** \$50,000 – \$135,000

Federal

- **Project Title:** Low-Cost, Short-Duration Evaluation of Education Interventions
- **Funder:** Institute of Education Sciences
- **Description:** The program is designed to support rigorous evaluations of education interventions that state or local education agencies (includes community college districts) expect to produce meaningful improvements in student education outcomes within a short period (for example, within a single semester or academic year).

• **Website:**
http://ies.ed.gov/funding/pdf/2017_84305L.pdf

• **Recommended Areas:** Various

• **Deadline:** April 19, 2017 (Anticipated Deadline for Letters of Intent)*

• **Award Ceiling:** \$250,000

- **Project Title:** Education Research Grants: Postsecondary and Adult Education Research
- **Funder:** Institute of Education Sciences
- **Description:** Supports research on the improvement of education outcomes for students in college and in adult education programs. The Institute is interested in understanding how to increase student access to, persistence in, progress through, completion of postsecondary and adult education programs.

• **Website:**
http://ies.ed.gov/funding/pdf/2017_84305A.pdf

• **Recommended Areas:** Various

• **Deadline:** April 5, 2017 (Anticipated Deadline for Letters of Intent)*

• **Award Ceiling:** \$600,000 - \$3,800,000 (Based on Research Goal)

*Deadline reflects the internal target date established by the GDO for planning purposes.

Foundation

- **Project Title:** Semi-Annual Grants Program
- **Funder:** Donald P. & Byrd M. Kelly Foundation
- **Description:** The Donald P. and Byrd M. Kelly Foundation was established in 1987 to provide financial assistance to organizations and institutions for individuals who are involved in providing or seeking formal education. The Foundation concentrates its efforts in the Chicago Metropolitan area.

• **Website:** <http://www.dbkf.org/>

• **Recommended Areas:** Various

• **Deadline:** January 1, 2017*

• **Award Ceiling:** \$15,000

- **Project Title:** Community Grants
- **Funder:** American Honda Foundation
- **Description:** Supports youth education with a specific focus on the STEM (science, technology, engineering and mathematics) subjects in addition to the environment; job training and literacy.

• **Website:**
<http://www.honda.com/community/applying-for-a-grant>

• **Recommended Areas:** STEM (science, technology, engineering and mathematics)

• **Deadline:** January 1, 2017*

• **Award Ceiling:** \$20,000 to \$75,000 over a one-year period

Grant News:

Recently Awarded:

\$5,000 - Alliant Credit Union Foundation.

The funds will be used to support the Veterans College Completion Initiative. Triton's Career Services Department will provide job training, career advising and job placement services to veterans who are enrolled at Triton College.

GRANT TIP

It's never too early or too late to begin a dialogue about your grant idea! If you are interested in a grant opportunity you have seen in a GDO Newsletter Publication but don't believe you are prepared to apply by the deadline, **we encourage you to still contact the GDO!** Some grants have similar goals and objectives and your idea may be a good fit for more than one grant opportunity.

We look forward to working with you!

Many of these opportunities are time-sensitive and require a quick response time. Please contact us at ext. 3022 or stop by E-315 ASAP if you're interested in any of these funding opportunities.
