Grant News:

Congratulations to Grants Warrior Adrian Fisher! She was recently awarded a **\$4000 grant** from the Illinois Science and Energy Innovation Foundation (ISEIF) Smart Grid Consumer Education Program! The Smart Grid Consumer Education Program is designed to deliver smart grid and smart meter education to consumers through the Illinois community college system. Continued funding allows Triton to host smart grid training and outreach activities.

Compliance Tip:

As we approach the end of FY18, it is important to review your grant proposal and agreement to ensure all deliverables have been met and you are on track to meet performance obligations. Also, be sure to speak with the Grants Office and your assigned grant accountant if you're having challenges expending grant funds.

Many of these opportunities are time-sensitive and require a quick response time. Please contact us at ext. 3022 or stop by E-315 ASAP if you're interested in any of these funding opportunities. Thank you for your hard work!
