

Grants Development Office Funding Opportunities

Week of April 16, 2018

~It starts with an idea

Federal

- **Project Title:** Innovative Research Grants
- **Funder:** National Endowment for Financial Education
- **Description:** The grants program seeks innovative research that can make a profound contribution to the field of financial literacy.
- **Website:** <http://www.nefe.org/What-We-Provide/Research-Funding/Grant-Guidelines>
- **Deadline:** May 15, 2018*
- **Recommended Areas:** Arts & Sciences, Enrollment Services, Institutional Advancement
- **Award Ceiling:** \$185,000

-
- **Project Title:** Research Training Groups in the Mathematical Sciences
 - **Funder:** National Science Foundation
 - **Description:** The RTG program supports efforts to improve research training by involving undergraduate students, graduate students, postdoctoral associates, and faculty members in structured research groups centered on a common research theme. Research groups supported by RTG must include vertically-integrated activities that span the entire spectrum of educational levels from undergraduates through postdoctoral associates.
 - **Website:** https://www.nsf.gov/funding/pgm_summ.jsp?pims_id=5732
 - **Recommended Areas:** Math, Arts & Sciences, Business & Technology
 - **Deadline:** May 20, 2018 *
 - **Award Ceiling:** \$2,500,000

Federal

- **Project Title:** Small Business Innovation Research Program (SBIR)
- **Funder:** National Science Foundation
- **Description:** SBIR program focuses on transforming scientific discovery into products and services with commercial potential and/or societal benefit.

 - **Deadline:** June 30, 2018*
 - **Recommended Areas:** Continuing Education, Arts & Sciences, Health Services, Business and Technical Education
 - **Award Ceiling:** \$10,000

Grant News:

Recently Awarded:

Corporation for National and Community Service (CNCS) AmeriCorps Affiliate-(Approx. \$40,000)

Congratulations to Dean Debbie Baness-King and Dean Corey Williams on being awarded a second year of funding from CNCS! The funding is intended to support students in becoming AmeriCorps Affiliate National Service members by engaging in meaningful service opportunities. After completing their term of service (1 year), students will be eligible to receive the Eli Segal AmeriCorps Education Award which can be used to fund their education. **Way to go, Dean Baness-King and Dean Williams!**

Grant Writing Tip: When considering a grant opportunity it is important to do background research and, in some cases, complete a literature review including the latest reports, journal articles and data relevant to your request. You need to convince reviewers that the work you are proposing needs to be done and that you are the best person to do it.

Many of these opportunities are time- sensitive and require a quick response time. Please contact us at ext. 3022 or stop by E-315 **ASAP** if you're interested in any of these funding opportunities. Thank you for your hard work!
