Grant Compliance Tip:

Triton College works diligently to avoid returning grant money back to a funding agency. **If funds are returned, it places the institution at risk of losing future funding support and compromises our reputation indicating we cannot successfully execute grant projects.** Please contact the GDO and your grant accountant immediately to assist with challenges related to financial matters.

Many of these opportunities are time-sensitive and require a quick response time. Please contact us at ext. 3022 or stop by E-315 **ASAP** if you're interested in any of these funding opportunities. Thank you for your hard work!
