- **Recommended Areas:** Arts and Sciences, Business and Technology, Student Services, Adult Education, Continuing Education, Library.
- **Award Ceiling:** Varies based on project type.

Grant News:

Grant Warriors: The **Office of Community College Research and Leadership (OCCRL)** received a grant from the Illinois Community College Board (ICCB) to conduct an exploratory study examining factors that influence student success in STEM (matriculation in courses required of most STEM majors) at public community colleges that are federal designated minority-serving institutions. To review the report please use this link: Serving Racial Minority Students in STEM at Minority-Serving Community Colleges" or visit the OCCRL website. The report provides invaluable information that can be used for future grant initiatives.

Grant Compliance Tip: Grant recipients must use federal funds to *supplement* (build up or add to) existing funds for program activities and **may NOT** *supplant* (replace or take the place of) nonfederal funds that they have appropriated for the same purpose.

Many of these opportunities are time-sensitive and require a quick response time. Please contact us at ext. 3022 or stop by E-315 ASAP if you're interested in any of these funding opportunities. Thank you for your hard work!

*Deadline reflects the internal target date established by the GDO for planning purposes.
