- ❖ **SAVE THE DATE!** The GDO will host its **3rd Annual Grant Ideas Summit on Wednesday, April 24th from 11 am to 1pm** in the Center for Teaching Excellence (E-210E). A light lunch will be provided. Email Christina Skasa (christinaskasa@triton.edu) if you are interested in attending. We look forward to seeing you there!

- ❖ **Grant Tip:** A grant evaluation plan tells funders how you will track project activities, measure your results, and determine whether you are meeting your stated objectives. Ask yourself these questions when creating the evaluation plan: 1) What will be measured? 2) What is the baseline from which change is measured? 3) What information will be collected, when, and by whom? and 4) How will the data be analyzed?

- ❖ **Grant Compliance Tip:** In preparation for the end of the fiscal year, please ensure time & effort sheets are submitted to the respective grant accountant in a timely manner. **All grant funded positions require a time & effort sheet to be completed.** If you have any questions, please contact your grant accountant or the GDO.
