Grant News:

Congratulations to Grants Warrior, *Antigone Sharris,* for submitting an *NSF-ATE grant application* in collaboration with the University of Michigan, Southern Illinois University (Carbondale), Wayne State University and Washtenaw Community College. The project is titled *"Examining Engineering Technology Students' Experiences to Develop An Engineering Technician/Technologist Identity Framework."*

Managing Your Grant: Nuts & Bolts

As you lay the essential groundwork to ensure your grant program obligations are met, please ensure the following:

- Grant program manuals are current and adhered to;
- Funds are expended as outlined in the approved grant budget;
- Funder approvals are received prior to making any budget or programmatic changes;
- Requirements for reporting and data collection are fully understood prior to launching the grant project.

Any of these opportunities are time- sensitive and require a quick response time. Please contact us at ext. 3022 or stop by E-315 ASAP if you're interested in any of these funding opportunities. Thank you for your hard work!

Deadline reflects the internal target date established by the GDO for planning purposes.
